

Dear Friends, We wish you all an awesome Christmas Season. We are excited and rejuvenated as we come to the end of 2010. Jesus Christ came to begin a new and living way. A new beginning. Let's embrace it and enjoy it.

CHILDREN'S CAMP Twenty children from Diepsloot joined in with great enthusiasm with the group from Grace Fellowship and Kia Sands at the camp in November. We want to thank supporters from United States, New Zealand, Sweden and South Africa who made it possible for the children from Diepsloot to attend. Many of them face great family challenges such as being orphaned, dealing with serious illness in the family or broken homes. The teaching theme of "The love of the Father" really touched their hearts and lives. With that they enjoyed great group activities and the adventure of a night hike through a forest.

CHRISTMAS PARTY – Great fun was had by the Diepsloot children at their Christmas party. Each child also received a lovely Christmas gift. Thank you to our very kind and generous sponsors who made all this possible. We and the children so appreciate it.

We also want to thank our sponsors for all the donations to meet the needs of mother's for their babies. It really goes a long way in assisting them.

2011 - PRAYER and PLANS

- a) **First Heritage Life Training Course.** Our first group of young people to attend this course will begin in February next year. Please pray and agree with us that all things will be in place and that this course will change the mind sets of these students and set them in the right direction for their purpose and success in their lives. We are still needing more lecturers to assist us. Our heart and purpose is to motivate these young lives towards their purpose and dreams and keep them from being on the street after they have left school or giving up due to circumstances.
- b) **We have found a house and land right near Diepsloot** which would be suitable to set up as a centre for the training school. Firstly we need wisdom regarding the purchase of this property and secondly it needs a lot of work to get it into order.
- c) **New Pastors:** We will be taking a lovely couple under our wing to start assisting us with the pasturing of the Diepsloot Church. They will attend Heritage of Faith Bible Institute. Please pray for this time of transition and training.

OUTREACH - Graham had a wonderful time ministering to a group of students at Itereleng High School just off R511 for a few weeks. We continued our ministry to Diepsloot Combined School students every week and will be returning in the new year. We are trusting God for a revival of the Spirit of God amongst these students.
