DECEMBER 2011

HAPPY CHRISTMAS

A very happy Christmas to everyone. We thank you all for your prayers and support through out this year. Christmas is always a time when we can reach out, help others and share the love of God and we share some moments with you as well as an update on the Church and prayer groups.

We want to thank our supporters once again for the many lovely Christmas gifts and baby ware to hand out to those in need. We have already given out about 150 gifts. We also thank Brett and Candice Tromp for opening up their home and sponsoring a Christmas Party. It is always a fun time for everyone.

HERITAGE LIFE TRAINING PROGRAM.

The students completed their course at the end of November. It was a wonderful time for them and we trust they will move on to greater things. They ended with a celebration of their own. We appreciate JJ Zondi and Sean Caveney for coming to lecture and imparting their expertise.

DAVID AND ELIZABETH MABASO our trainee ministers completed their first year of bible school and Heritage of Faith Bible Institute and graduated on the 18th November. They shared with us the following: "We have learned so much about having an intimate relationship with God and developing our character. Even our marriage has benefited and our family relationships. We really began to see what ministry is all about and to understand about serving the body of Christ. It has meant so much to us and we are looking forward to attending again in 2012."

We want to thank their sponsors for making this possible for them both. We have received a commitment of part sponsorship for them in 2012. Should you believe you are also able to help with their Bible School Fees in the New Year please do not hesitate to contact us. Our details are above.

PRAYER CONNECT GROUPS AND HERITAGE OF FAITH CHURCH, DIEPSLOOT

In 2011 we initiated 4 prayer connect groups on various evenings of the week. In the New Year I am trusting God to start a prayer connect group in Olivenhoutsbush and Cosmos City respectively and increase the prayer connect groups in Diepsloot. For too long Diepsloot has been in the news for the wrong reasons we want to saturate the area with faith filled and anointed prayer that will push back the darkness and the light of Jesus will shine through, saving

souls and bringing glory to God.

We noticed at the beginning of the year a decline in attendance in our church. By the end of the year through prayer and with David and Elizabeth helping we have seen an increase in attendance with new faces arriving and old faces returning. David and Elizabeth have come under some persecution for their devotion to Eileen and me. The end of year party was an event which demonstrated their love for us and the people. They did an excellent job with the help of others in the church. I look forward to the future of what God is going to do in this community of Diepsloot.

NEEDS FOR THE CHURCH AND OTHER WORK.

A sound system for the church and other outreach work.

A generator is imperative. We do not have electricity at this time.

We have set ourselves to pray in God's fullness, fatness and abundance for 2012 and to have an expectation of God doing miracles and "suddenlies" for all of us. Your financial support and sponsorship for different projects is what continues to help us to reach out into this community and others. God bless you and thank you.
