A NEW NAME FOR THE FUTURE

Dear friends and supporters, in the past few months we have been in prayer and discussion with our Board of Directors regarding making changes in the ministry. Over the last year God has been leading us and speaking to us in different ways. We believe we have God's heart in what we are doing and that exciting days are ahead. Messiah Ministries and the church in Diepsloot is now fully under the apostolic leadership and covering of Heritage of Faith, Randburg, led by Pastors John and Sharon Bendixen. The church in Diepsloot will be called Heritage of Faith Christian Church from which will operate all our normal outreaches and church ministry. Other projects to the poor, youth and training programs will come under the name Heritage Life Training.

BANK ACCOUNT AND REGISTRATION NUMBERS

Our registration and other welfare numbers will remain the same and all different government departments will be informed of the name change over the next few weeks. Our Bank account number stays the same and eventually the name will be changed as well. However the name for the moment will still be Messiah Ministries until we inform you officially of the change. Once this is finalized application will be made for 18A Status for tax exemption on donations.

NEW PROJECTS AHEAD.

We are in prayer and planning to help the youth and young adults in a greater degree than before. Many underprivileged youth are leaving school after Matric and have not been able to find work. It is a tragedy to see them walking around the streets and becoming totally discouraged. Our desire is to help young people to be trained in a variety of subjects such as computer training, goal setting, presentation, career research and finance with the goal of empowering them to be in a better position to obtain work and a career. We will keep you informed of progress.

SHARING THE GOOD NEWS: The children's ministry this year is going really well and the kids are learning to take the Word into their hearts as a life changing power. We continue to have the privilege of sharing the gospel at Diepsloot Combined School on a weekly basis which is a great blessing and we thank them for this opportunity.

**KINGDOM TRAINING
"ZULU "GATE TO LIFE" BOOK**

Nearly 5000 books translated into the Zulu language arrived just before Christmas from India and we were thrilled to finally have the book in our hands. Frank and

Leena Arthur of Media Serve spent months working with us on this project and we thank them and their staff for being so persistent with us. Graham

has met with some church leaders north of Pretoria concerning training them in the use of the book to disciple their members. Great interest has been shown and we will be keeping you informed as our desire is to help others to establish the body of Christ with good training material to develop their walk with the Lord.

If you would like to help with this outreach please send all donations with the reference: Books.

Karabo is a 14 year old young lady who has been coming to our fellowship since she was 6 years old. She had a dream and was trusting God to go to HeronBridge College and she

joined this wonderful school in January 2009. She is working really hard and making good progress. She is receiving sponsorship for her school fees through the College and her parents are paying a portion of this as well. However there are many side expenses which occur. Should you feel you would like to donate R100 to R200.00 a month to help with this, it would be greatly appreciated under the ref. Karabo.
