... wanting to make Jesus famous around the World... *Habakkuk 2:14*

Our continued desire is to be sensitive to the **Heart of the Master** and to reach out to desperate people on His behalf.

## Recent Events:

Through God's provision we have been able to continue supporting partner ministries in Southern Africa. We have been thrilled to hear of many who have been so downcast being brought relief and joy in Jesus Name. Some examples are:

- **Master's Heart (MH) has continued to support Rubatano Ministry in Central Mozambique.** About 80 volunteers reach out every day to thousands of desperate people, many of whom are orphans. So many orphans live on their own. They often do not have a secure home or enough food. The Rubatano volunteers help solve these crisis situations.
- **God has provided sufficiently to allow further support of the work at Ebenezer in Eastern South Africa.** This area is also ravaged by HIV/AIDS. A MH team carried out a medical outreach there last year. Anna, the ministry leader, has continued to train volunteers to reach out to thousands of hurting people on a regular basis.
- **Graham and Eileen Greene of Heritage Life Training** continue to make a huge difference in the

These children are orphans who live on their own. Rubatano has helped them to survive by providing food and care

**Diepsloot squatter camp** outside Johannesburg.

- **Master's Heart SA recently held an outreach in Oudsthoorn,** Western Cape, South Africa. This is another area that has been plagued by HIV/AIDS. It is always a privilege to bring relief from suffering and hope in a place of despair.

## Planned projects:

- **MH will be providing funds to allow for the completion of a church at Filabusi-B, Matabeleland, Zimbabwe.** We carried out a Medical Crusade and Kid's outreach at this location last December. The walls of the church are complete and a roof is needed. 

This very old lady named Samia is cared for by volunteers at Ebenezer. The pick up that God provided through MH has meant that the volunteers can reach her on a regular basis – she lives in a very remote area.

Martha and her 4 children live in a shack with no support. Graham and Eileen have been able to bring relief and have involved 2 of the girls in children's church.

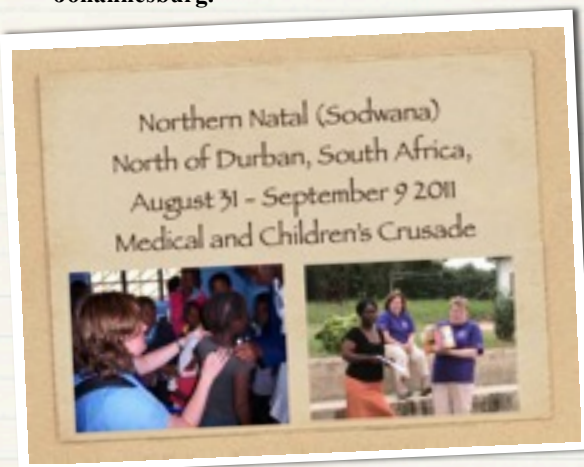

There is always great joy when older folk receive reading glasses. Hundreds of these dear people are then able to read once again

- The body of believers currently meets in a local school. This is a very rural setting and the work of God will greatly bless and strengthen the local communities.
- **MH will also be making funds available for the purchase of a water tank for the church at Nwasi, not far from Filabusi, Zimbabwe.** We also saw God do an incredible work here last year when we ministered in His Name. This water tank will provide desperately needed water for growing vegetables for the community – this can be done all year in Zim.
- **It is hoped that MH can participate in the setting up of a safe house / youth training center near the Diepsloot squatter camp close to Johannesburg.**

**The team is preparing before serving in Mozambique**

### **A Word from the Mozambique Team Leaders:**

• **God has put together a great team to serve in Mozambique this July!** We are excited to be the hands and feet of Jesus to the ministry of Rubatano through encouraging the Christian workers of the ministry and serving the least of these that they care for. We feel

humbled that we get to hold an orphan's hand, pray for those dying of AIDS and most of all share the Gospel of Jesus Christ with as many Mozambiquen's as possible! We covet your prayers for protection and God's leading while we are traveling and while on Mozambiquen soil. More than this, we

ask that you pray that God would be honored in all we do and that Jesus is truly made **EVEN MORE** famous in Mozambique!

### **Please pray about the following:**

- **Praise our faithful Father for His amazing provision** which has enabled MH to support ministries which are really making a difference among the poorest of the poor.
- Pray for **Jesus Christ to be honored** in all that Master's Heart Ministries undertakes.
- Pray for **church partnerships to be established in 2011** – for churches in the US to link up through MH with those without hope overseas.
- Pray for God's leading as we continue to pursue **'micro financing' projects** in needy areas.
- **Please inquire of our Lord** as to

whether He wants you to financially support Master's Heart.

• **Pray about your involvement in one of the upcoming MH overseas trips to serve.**

• **Pray for the setting up of MH – Southern Africa in the next few months.**

• **Please pray for wisdom for the current MH leadership:** Dan & Kari Sikkink, Justin & Sarah Moline and Rich & Ruth Irish.

### **Future Plans:**

- We are planning 3 trips during 2011: (see website for promotions)
- To **central Mozambique between July 21<sup>st</sup> and August 4<sup>th</sup>** – working, once again, with the volunteers at Rubatano.
- To the **Sodwana area of the Northern Natal region of South Africa between August 31<sup>st</sup> to September 10<sup>th</sup>**. This is a very rural area that experiences severe hardship.
- To **Oudtshoorn in the Eastern part of SA from November 22<sup>nd</sup> to December 3<sup>rd</sup>.**
