Habakkuk 2:14

December 2008

Our continued desire is to be sensitive to the Heart of the Master and to reach out to desperate people on His behalf.

● **Recent Events:**

- A team of 8 people was trained and sent to Cape Town, South Africa to carry out a Medical Crusade in some very poor areas. God was faithful as always and many folk were treated and quite a few came to

Christ, including some Muslims. A ministry report is enclosed with this newsletter.

Note that a trip feedback meeting is to be held at Bethel Free Church at 5:00pm on Saturday, January 17th in Room B (downstairs) – all are welcome to attend.

● **Future Plans:**

- We sense that God is leading this ministry to arrange and support ministry partnerships between active ministries in desperate areas in Southern Africa (and perhaps other areas of the globe) with suitable churches in the US. These partnerships would involve sending teams to work with these ministries as well as providing ongoing support. Master's Heart will facilitate these partnerships by providing training and support in all respects as well as leading the initial teams to the areas involved.

A number of ministries have already been identified and we are praying for God's guidance as we seek to find churches that have a heart to be ministry partners. (Note that ministry profiles can be viewed on our website)

One example of such a ministry is Rubatano Home Based Care near Chimoio, Mozambique. This work operates in an area with high levels of HIV/AIDS (at least 1 in 4 with life expectancy for males of 36 years). 37 national volunteers are led by a faithful man of God named Carlos. They minister to the desperate and dying in many villages in the area.

Another ministry that has been identified is Diaz Christian Church near Port Elizabeth, South Africa. This church body is located on a main highway on the east coast of South Africa. Extreme poverty, prostitution, witchcraft and HIV/AIDS are

prevalent. Many orphans are in the community and need to be fed and cared for.

- Preliminary plans are being made for a **medical outreach to Mozambique next May.** This will be undertaken at Rubitano which is the ministry that Sarah Moline and Ginna Hardie worked with last year. It is planned that at team of 10 will go on this trip.
- A **Ministry Celebration evening** is being planned for late in February. This will be a combination of a ministry and vision exposure, an ethnic meal and silent auction.

● **Please pray about the following:**

- Pray that **God's name will be glorified** in everything that we do both in America and in South Africa
- Pray for **guidance as Master's Heart plans for future** work in desperate areas.
- Pray for **church partnerships** – for churches in the US to link up with those without hope.
- Pray about **your involvement** in assisting with the setting up of partnerships and participating in a trip.
- **Pray for Pastor Bob** as he seeks out ministries in need for potential partnerships.
- **Please enquire of our Lord** as to whether He wants you to financially support Master's Heart.
