www.mastersheart.org ... wanting to make Jesus famous around the World...

Habakkuk 2:14

September 2009

Our continued desire is to be sensitive to the **Heart of the Master** and to reach out to desperate people on His behalf.

Recent Events:

- God is always faithful. He has once again provided what a partner ministry of MH badly needed. **Our Father touched many hearts to enable the purchase of a vehicle for Graham and Eileen Greene.** They minister to many hurting and lost people in the Diepsloot squatter camp just north of Johannesburg. This vehicle will greatly assist in their ministry which includes food distribution to starving children.

Graham & Eileen with new vehicle

Graham & Eileen at their tent church

- Our partners in South Africa have been **following up in areas where a MH team worked last November.** This report was received from Capricorn which is quite a troubled area:

“See I have placed before you an open door that no one can shut. Rev 3:8

This open door came through sharing the gospel through medical missions. Our church meets the needs of individuals both physically and spiritually. The follow up cards gave us another opportunity to visit the people who came to the medical mission. We visited 100 individuals, of which 10 received Jesus as their personal Savior. Praise the LORD.”

- A **medical / support outreach to Central Mozambique** took place at the end of July. This team was headed up by Justin and Sarah Moline. The location of this outreach was the area where Sarah, Ginna Hardie and Brooke Bruns worked as missionary nurses in 2006/2007.

This is a really needy area due to the prevalence of HIV/AIDS and reaching into the darkness to bring the light of Christ is always very rewarding. We believe that God was greatly honored by the way the team, along with local volunteers, was able to reach out to more than a thousand orphans and the hurting and dying. Training workshops were held for the local volunteer workers. They were trained in the use of evangicubes and also given many other tools to use for their home based care program.

Volunteers learning how to use evangicubes

Mozy orphan girl

Rural huts in Mozy – much of the home based care is in areas like this

Future Plans:

- We are preparing for at least one more trip (possibly two) overseas during the balance of 2009.
- A **medical crusade and children’s outreach** is planned for the second half of October. This will take place in the vicinity of **Port Elizabeth, South Africa.** The actual location is a ministry called Diaz on a major highway on the East coast and has consequent problems with prostitution and high levels of HIV/AIDS.
- We have been **requested by a ministry in Pakistan to assist them in their work.** We are praying about how we should respond. We consider it may be necessary for a small team to travel to the Quetta area of Pakistan in the next few months to engage with the believers there and evaluate how our Father would have MH proceed in the future.
- We continue to sense **God’s call to facilitate the setting up of ministry partnerships between ministries overseas that we have worked with and churches or groups in the USA.** This will greatly increase the effort in reaching out to hurting people in the Name of Jesus Christ. **We are anxious to see this principle become a reality in practice.**

Many kids / orphans at Diaz

There are currently six ministries who need partners – please check out www.mastersheart.org for details of these. We would love to hear from you should you want more details of if you have any questions regarding ministry partnerships.

Please pray about the following:

- Pray for **church partnerships** – for churches in the US to link up with those without hope.
- Pray about **your involvement** in assisting with the setting up of partnerships and participating in a trip.
- **Please enquire of our Lord** as to whether He wants you to financially support Master’s Heart.
- Pray for the **preparation of teams and blessing on their ministry** as they serve overseas.
- **Pray for the preparation and training of the team that will be serving in October at Diaz.**
- Pray for **God’s guidance regarding MH involvement in Quetta, Pakistan** and other areas in the Middle East.
